Dear Junior High and High School Parents,

Today's world presents many obstacles and challenges for our young people. Society pressures them to behave a certain way, do certain things, dress in ways that do not honor their bodies and to participate in activities which can do damage to their relationship with God.

Here in our parishes we have decided to be proactive and to provide both the students in the junior high and high school and you, the parents, with chastity education. Kyle Holtgrave, the director of the Office for Youth and Youth Ministry, will be in Robinson on November 4, 2018 to facilitate a parent chastity education session and again on November 11, 2018 to facilitate a junior high session and a high school session. This material is very important not only because it is vital that our students learn to value and honor their bodies in the way that God intended, but it is valuable time because these topics are not ones that we can normally touch on during the PSR year.

The program that Kyle uses is called **YOU: Life, Love and the Theology of the Body**. **YOU** is an updated curriculum on St. John Paul II's Theology of the Body from Ascension Press. **YOU** presents teenagers with a vision of who they are: a unique, unrepeatable creation of God. **YOU** offers teens an opportunity to hear from respected Catholic leaders about life, sexuality, and what it means to be a person created by God for love.

We are very fortunate that we have the opportunity to have Mr. Holtgrave come to our area and present this very important program. Please take a moment to fill out the bottom portion of this letter so that we can inform Mr. Holtgrave how many students and/or parents will be attending the program. Please return your form by October 24, 2018.

Thank you for your time and the opportunity to educate your children.
